FRAME your REALITY

Description:

Frame your reality! - this youth exchange was about photography and social life reportage. Young people from 4 countries: Greece, Italy, Romania and Poland between 16th and 24th of June 2015 in Zlocieniec, took part in many activities in the field of the photography and social journalism. Project included activities like: workshops about traditional and digital photography, discussions, trips - outdoor taking photos, journalism and reportage workshops. Additional to that there were some intercultural and integration activities for group of young people.

During 7 days participants worked together in order to create common exhibition and create a few short reportage stories about different perspective of different people and cultures, involving local community. Result displayed for local community and as well taken to home town of all participants. Participants put here chosen photos that were taken during the whole exchange.
